The Intempo building is a unique property for its privileged location next to the exclusive Playa de Poniente. This uniqueness is further enhanced by its contemporary art deco architecture, and the quality and warmth of the materials used, in addition to the original design of its interiors. Not to be forgotten are the views that are enjoyed from its apartments; all within the maximum privacy that they each offer. Its unique lifestyle is highlighted by the high level and quantity of community services to which all owners have access to and for the variety and originality of its common areas. From the first step to the last, all the details of the 256 apartments of the Intempo Residential Sky Resort have been designed to provide a feeling of luxury and comfort to living within them. Well protected by an exterior construction in lacquered aluminium with double glazing and low solar factor windows, the apartments of the Intempo Residential Sky Resort enjoy a pleasant temperature all year round. A temperature regulated by an individual air conditioner, with low consumption heat pump. The rooms have large, fitted wardrobes with white lacquered doors that are lined inside. The kitchens are perfectly equipped with all the top brands of white finish furniture, white high-strength countertops, stainless steel sinks, electric ovens, microwaves, dishwashers, hoods, and ceramic hobs and fridges. The bathroom also cannot be said to lack anything and includes a whirlpool bathtub. All the walls of the house are painted in white, equipped with a modern electrical installation, and the floor is covered by a porcelain stoneware pavement. Exclusive Services for owners- 24 hours concierge and surveillance. Universal wifi in private and common areas Maintenance and repairs of common areas (Monday to Sunday). Total facade cleaning twice a year. Gym. Sky Wellness. Fitness room. Sauna. Swimming pools. Restaurant and bar. Massage rooms. All the details of the 256 apartments of the Intempo Residential Sky Resort have been designed to provide a feeling of luxury and comfort to living within them.
