**350,000 €***( Dos aguas )*

Finca in the town of Dos Aguas, this municipality belongs to the province of Valencia in the region of La Hoya De Buñol, a lush area in the countryside, an hour's drive from the city of Valencia. On a plot of more than 367.000 square meters of nature is located a magnificent property on one floor with the following distribution: living room with fireplace, kitchen with pantry room, bathroom and two bedrooms. Outside, it has several terraces, with barbecue area and oven. As significant elements, it has internet connection, water from the cistern, photovoltaic installation for hot water and electricity. The property has 200.000 m2 fenced with three access gates, has two more buildings used as storage and an area of 5.000 m2 for horses, the property itself has a passable road which at the same time is a firebreak, almond and olive trees plantations. The village of Dos Aguas is 10 km from the property. Due to its privileged location, in the basin of the river Júcar and in the middle of the mountains, it is the ideal destination to escape from the routine of the city and live an adventure in the middle of nature. It has unique landscapes suitable for the enjoyment of occasional hikers or more experienced mountaineers, as well as cycling routes etc. ...
