Centre (Javea)

This flat is located between the port and the centre of Javea. The property is on the third floor and can be reached by lift. One enters a hallway with, on the left, a spacious living-dining room with access to a balcony facing south. To the left of the hall there is a kitchen with a laundry room. Walking further down the hallway, we find on our right a double bedroom with an en suite bathroom. Here, too, we have access to the balcony. After this, the corridor curves to the left and we find a bathroom and two more double bedrooms. There is also the possibility of buying a garage.
