Totally refurbished villa situated in the urbanisation Balcón al Mar in Jávea. It has a plot of 900 m2 and the house 200 m2. The main house is comfortably distributed on one floor as follows: Living dining room with fireplace, open plan kitchen, 3 bedrooms and 3 bathrooms. It also has a separate independent construction that consists of an open plan area that could be an independent flat. Outside the villa we find a swimming pool with a large terrace with nice open views. We recommend you to visit it!
