Racó de Galeno (Benissa)

This impressive four-storey villa perfectly combines contemporary design with high quality construction and finishing, ensuring a luxurious and comfortable living experience. All floors are connected by an elegant interior staircase and a lift for added convenience. In the basement, you will find a spacious garage with easy access from the street, providing enough space for several vehicles. In addition, the entrance hall leads to the interior staircase and lift that connects all levels of the villa. The lower ground floor has a large multi-purpose area, flooded with natural light thanks to its large windows, offering an ideal space for various activities. The ground floor is the heart of the house, with a bedroom with en suite bathroom, a guest toilet, and a generous living/dining room. The kitchen is fully equipped with top of the range appliances, and the high ceilings in the living room allow the Mediterranean light to illuminate the entire space, creating a welcoming and bright ambience. On the first floor, there are two additional full-sized bedrooms, both with en-suite bathrooms, guaranteeing privacy and comfort. In addition, there is a study ideal for working from home or for personal use. This spectacular villa has been designed with the wonderful climate of the area in mind, and features spacious terraces sheltered by porches, perfect for enjoying the style of the Mediterranean Life.
