(Javea)

A stunning sea view villa on the exclusive 'La Corona' development by the port. The villa is modern and a good size of 250sqm. Spread over an open plan space and three floors you enter into a huge reception and then down some stairs into the main lounge, dining area and kitchen. From here you will see the most spectacular sea views and terrace that gives the most beautiful views and setting. The villa comes with a large ensuite main bedroom with a huge terrace with further views and then you have the lower level that has two more bedrooms and a large open plan lounge area. The outside has lovely terrace areas and a fantastic 12x4 pool overlooking the sea.
