

Ref: FV4601

420,000 €*(Alberic)*

Found Valencia are delighted to bring to market a fabulous home with outstanding views on a large plot of 3000m². The villa is distributed over 2 floors, with 250m² constructed area, set on a plot of 3.000m². With panoramic views to the mountains, in a natural environment of spectacular beauty. On the ground floor. Here we find a large entrance hall leading to a large and bright living room with fireplace and access to one of the terraces and a modern and spacious kitchen with breakfast area and door to the terrace and laundry area. Also on this floor are two double bedrooms with wardrobes, and an en-suite bedroom with bathroom and fitted wardrobes. The upper floor consists of a large games room, or multipurpose space. Unobstructed views from almost all areas of the villa, with sun terraces, perfect for any time of the day. The swimming pool offers a unique opportunity to relax while enjoying the spectacular views. An elegant lounge area is located next to the pool with different areas including solarium, barbecue, and terraces perfect for al fresco dining. The property has a detached garage with capacity for several large vehicles and an adjoining tool and storage room. A unique landscape awaits you to discover. Enjoy sunlight all day long and an excellent sunset at night. The house has been built with top quality materials and has double glazed windows and terrace doors, reverse cycle ducted hot and cold air conditioning throughout the property. This large property is located in the gated urbanization of San Cristobal, just 4km from Alberic and 3km from the A-7 motorway. The property is also close to the train station 4km, hospital, golf course and international schools.
