(Valencia City)

Exclusive luxury home in the centre of Valencia. Exclusive property of 332 square metres built, completely refurbished with the best qualities, creating a very special home. The property welcomes us with a large hall that divides the property. It presents us with an imposing living space and a huge dining room, four double exterior bedrooms with plenty of natural light throughout the day as it is also at a good height. With three complete bathrooms, a magnificent kitchen with breakfast area and independent area. The floors of the property are marble and all the carpentry is made to measure with impressive wooden beams that make it an elegant and exclusive space. Among other features, it has gas heating and centralised air conditioning. An exceptional property, unique and in a privileged enclave. Close to the Town Hall, in Valencia's main shopping and leisure area, surrounded by theatres, exclusive restaurants, museums, terraces, etc. The area has direct access to all public services and transport in the city.
