Cap Martí (Javea)

Completely reformed villa, just 800m from Javea's Arenal beach, with two separate independent apartments making it an ideal investment. The outside area offers a terrace with panoramic views over the bay, summer kitchen and on the other side a pool. With 4 bedrooms and 3 bathrooms (one with hydromassage bath), the main level of the property has a kitchen with access to the living-dining room and outside areas. The living room has a woodburning fireplace. The independent apartment has 2 bedrooms, living room, American kitchen and bathroom. This has access from the road. Extras include double glazing, mosquito nets, blinds and security grills on all windows. Hot/Cold air in all the bedrooms.
