This stunning property was built in 2008, it is divided in two floors, with a large entrance hall, two living rooms, formal dining room, 14 bedrooms and 3 bathrooms. The property offers many seating and terrace areas and a beautiful gravel walkway throughout the properties gardens. The property is sold fully furnished and its elevation is that of 300m. The surrounding areas are very beautiful and the views from this home are exquisite. Offering central heating, double glazing windows, pre-installation of air conditioning, garage for 2 cars, 6000sqm of the total 20.000sqm have been landscaped. Only a stone's throw from the Sierra del Benicadell we find Albaida. With its name that comes from the Arabic "Al-Bayda", whose meaning is "La Blanca", probably named for the color of the land of most of its region. This city was named as such in 1906 by King Alfonso XIII and declared a tourist attraction in 2002, for its interesting historical-artistic and museum complex.
