(Valencia City)

We present you incredible apartment, in one of the best buildings of Valencia, Jardines del Real, with an impeccable structure, 24h concierge, lift and underground parking. This apartment enjoys the best views of the city to Viveros Gardens, Monforte and facing the Rio Turia, the Old Town and the Alameda. The apartment is situated on the high floor, exterior, very bright, and surrounded by long balconies and a terrace. It is very spacious, with 327m², 5 bedrooms, 3 bathrooms, 2 large salons, 1 big kitchen and a laundry area. The floors, are in great condition, made of natural wood, big double windows that block outside noise, aircon and central heating in all the rooms, electric blinds and storage places. The bedrooms have fitted wardrobes and the master bedroom has an en-suite bathroom. It is a very spacious apartment, luminous, with spectacular unique views of the city, that can become one of the most luxurious homes in the city.
