(Altea)

Hidden from prying eyes, in one of the quietest residential areas, with the highly desired south orientation, enjoying panoramic sea views of exquisite beauty, amongst beautiful trees that have been pampered for more than thirty years composing an idyllic garden - this is how this wonderful villa is situated. Its large rooms, huge windows and numerous terraces invite to enjoy the comfort and the great views that are the protagonists of this beautiful villa as if it were a resort for rest and disconnection. Its enormous swimming pool, its large living room, its spacious and practical kitchen, its numerous bedrooms, its independent suites with kitchen, its chill out area and its multipurpose rooms make it ideal for lovers of art, handicrafts, sports at home, enjoying having a games room and inviting guests. Despite being located in a very exclusive and quiet residential area of Altea, it is close to any kind of service and the wonderful beaches of the area, as well as the idyllic promenade and the famous centre of Altea with beautiful and picturesque streets and quite importantly - right by a Golf course.
