The Masía del Doctor is an impressive property located in Bocairent Valencia, in the stunning Sierra de Mariola. This area is known for its natural beauty and fresh, pure air, making it an ideal destination for those seeking peace, tranquility, and a connection with nature. The farmhouse enjoys a privileged location, surrounded by lush vegetation and with stunning panoramic views of the area. It also has drinking water, electricity, and its own spring, making it completely self-sufficient and comfortable in every way. Regarding the property itself, it was renovated in 2010 and offers an impressive built area of 1,600 square meters and a plot of 320,000 square meters, including a large number of olive trees. The house has 6 bedrooms and 4 bathrooms, making it perfect for a large family or for turning it into a rural tourism business. The property also has many other features and amenities, such as spacious common areas and a large, fully equipped kitchen to prepare delicious meals with fresh local products. Additionally, the house has a large terrace that offers stunning views of the mountain and is perfect for enjoying the sun, tranquility, and nature. In summary, the Masía del Doctor is a unique property, located in one of the most stunning areas of the province of Valencia, and offers a unique opportunity to enjoy the natural beauty of the area and live in an oasis of tranquility and comfort.
