This beautiful authentic finca from 1900 was completely renovated in style in 2006. The finca is located in a quiet and green area on a plot of more than 25000 m<sup>2</sup>. The main house is distributed over 2 floors. On the ground floor there are 2 spacious salons, a fully equipped kitchen, a dining room, a guest toilet, 3 double bedrooms and 2 bathrooms. On the top floor there are also 3 spacious double bedrooms, each with their own bathroom en suite. On the large terrace there are also 2 separate guest rooms, both of which have a lounge with kitchen and dining area and 1 double bedroom with bathroom. In addition, there is a large space available which can be used for various purposes such as for a gym or hobby room. Around this beautiful finca, in addition to the spacious swimming pool, there are several partly covered terraces and other seating areas from where you can enjoy the peace, space and privacy.
