Found Valencia is pleased to present this luxurious property for office use located in a distinguished stately building on Calle Colón Valencia. It consists of seven large continuous offices of which five are separated by sliding doors, a large central work area with space for eight workstations, a hall as a waiting room, a comfortable toilet, a file room and a small fully equipped office. The building is surrounded by all the necessary services for the management of any business and is a three-minute walk from the North Station. It has a concierge. Undoubtedly an ideal office in which to establish your business.
