Cap de San Antonio (Javea)

This plot is located on the cape of San Antonio. This makes it close to the port , the beach and the historic center of Jávea! The plot is 1500 m2 and up to 2 floors may be built. If a house is built there is a beautiful view from the second floor over the bay of Javea. The back of the plot borders with a nature reserve where you can enjoy peace and privacy. Note: There is an antenna mast on the plot. The renders are purely informative to give an idea of how to build on the plot.
