Piver (Javea)

This sloped plot is located in the desirable Piver area of Jávea. Elevated, the plot is backed by green zone with a wooded area behind, it benefits from fantastic panoramic views taking in the sunset and the valley towards the Montgó. Ideally situated just over 5 minutes' drive from the Arenal beach, Javea's Old Town and the golf course, there is the possibility to construct a villa of over 300m if so desired.
