366,000 €

Valle del Sol (Javea)

We present this magnificent plot of 1,058 m², with the infrastructure fully developed and with the licence in place ready to build. Enjoy breathtaking open views to the Montgó and distant sea views, which will provide you with a natural and serene environment. The plot has a license and project, which facilitates the construction process and allows you to start materializing your ideas immediately. In addition, it is free of builder, which gives you the freedom to choose your own team of professionals to carry out your project. Do not miss this opportunity to invest in a privileged place, where you can enjoy the tranquility and beauty of the surroundings. Contact us for more info.
